Lifting It Right Certificate Course

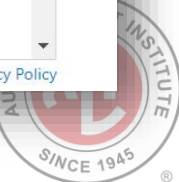

Lifting It Right explains the right way to lift a vehicle without causing injury or property damage. It provides guidance on spotting and lifting a vehicle, as well as preparing the service bay, maintaining load stability, lowering the lift and lift maintenance. It is a good overview and supplement to training on your specific lift. If you have not purchased this course, please visit ALI's website.

Hi Janelle,

You have met the requirements of Lifting It Right Certificate Course. You received a total score of 80%.

For more information visit [your dashboard](#).

[View Certificate](#)

Thanks,
Automotive Lift Institute

CERTIFICATE OF COMPLETION

- Once the course is successfully completed (by passing the quiz at the end) a Certificate of Completion will be emailed to the trainee.

CERTIFICATE OF COMPLETION

- Within Manager account, view any user's completion record and score.
- To download Certificate of Completion, click on gold ribbon.

The screenshot displays the Mindflash Enterprise interface. On the left is a navigation menu with options: Home, Users, Modules, Courses, Catalogs, Reports, and Settings. The main area shows a user list with columns for Last Name and First Name. The user 'Justin Polhamus (Test)' is selected. To the right, a detailed view for this user is shown, including tabs for Overview, Information, Groups, and Courses. The 'Courses' tab is active, displaying a table with columns: Name, Progress, Deadline, and Required. A red arrow points to a gold ribbon icon in the 'Deadline' column for the course 'Lifting It Right Certificate Course', which has a progress of 'Passed 80%'.

Name	Progress	Deadline	Required
Lifting It Right Certificate Course	Passed 80%		Yes
