

NOTARY PUBLIC TRAINING, EXAM PREP & REVIEW

NFADA Conference Room

Thursday, May 8, 2025 • 9:00 AM – 3:00 PM

Continental breakfast, lunch and course materials provided

Every dealership should have a notary on premise at all times. If you currently have one on staff, consider training a back up to cover vacations, lunch breaks, etc. There is nothing worse than having a deal held up because paperwork cannot be completed.

Geraldine Pierre-Fleurimond, CNI, CNSA

This class will be taught by Geraldine “Gerrie” Pierre-Fleurimond. Gerrie has been a Notary Public since 1994, commissioned and working in four different states. She is currently a Remote Online Notary (RON) in Florida, working with the newest notary technology to provide her services globally as a Notary Public.

Gerrie has been preparing New York Notaries since 1999 to pass the tough Notary Examination the first time they sit for the exam.

Her methods are proven by over 100,000 notaries, which she has trained since 1999 for New York, New Jersey, Massachusetts, Ohio, California, and Florida. Preparing notaries for the Notary exams is Gerrie’s passion.

Seating is limited. Notary exam will take place at the Ellicott Square Building in Buffalo.

We are honored to have Gerrie come back to Buffalo to teach this class. The reviews from her fall 2024 class were outstanding and every participant passed their notary exam the first time.

\$195 per person includes training, materials, continental breakfast and lunch.
