

# Secondary Container Label Minimum Requirements

1 - **Product Identifier** - The name must exactly match the one on the Safety Data Sheet (SDS).

2 - **GHS Pictograms** - Only include the pictograms that apply to the chemical's classified hazards.

3 - **Signal Word** - Either "Danger" or "Warning", depending on the severity of hazards.

4 - **Hazard Statements** - These describe the nature of the hazard (e.g., "Causes skin irritation").

5 - **Precautionary Statements** (Recommended) - Include safety guidance like "Wear protective gloves" or "Keep away from heat."

*All this information can be found in Sections 2 and 3 of the chemical's SDS.*
